

WHAT MAKES US SPECIAL

We have a proven track record of installing and supplying fires, stoves and fireplaces for over 15 years and have established long term relationships with many commercial clients. We have the systems in place to manage your order efficiently and effectively.

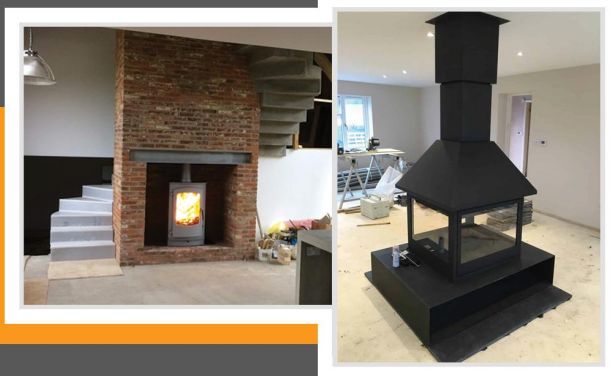

NO PROJECT IS TOO BIG OR TOO SMALL

We're a company of passionate designers and engineers. We believe that planning a project to the smallest details plays a key part in making our projects and installations run smoothly time after time. We have the capacity of in house surveyors, CAD designers and planners to accommodate any sized project.
